Circular No. 07/2024 dated 25.04.2024

CBDT extends due date for filing Form 10A/10AB upto 30th June, 2024

The Central Board of Direct Taxes (CBDT), has issued Circular No. 07/2024 dated 25.04.2024 further extending the due date for filing Form 10A/ Form 10AB under the Income-tax Act, 1961 (the 'Act') upto 30th June, 2024.

CBDT had earlier extended the due date for filing Form 10A/ Form 10AB by trusts, institutions and funds multiple times to mitigate genuine hardships of the taxpayers. The last such extension was made by Circular No. 06/2023 extending the date to 30.09.2023.

Considering the representations received by CBDT requesting for further extension of due date for filing of such Forms beyond the last extended date of 30.09.2023, and with a view to avoid genuine hardships to taxpayers, CBDT has extended the due date of filing Form 10A/ Form 10AB upto 30th June, 2024, in respect of certain provisions of section 10(23C)/ section 12A/ section 80G/ and section 35 of the Act.

CBDT further clarifies that, if any such existing trust, institution or fund had failed to file Form 10A for AY 2022-23 within the extended due date, and subsequently, applied for provisional registration as a new entity and received Form 10AC, can also now avail this opportunity to surrender the said Form 10AC and apply for registration for AY 2022-23 as an existing trust, institution or fund, in Form 10A till 30th June 2024.

It is also clarified that those trusts, institutions or funds whose applications for re-registration were rejected solely on the grounds of late filing or filing under wrong section code, may also submit fresh application in Form 10AB within the aforesaid extended deadline of 30th June, 2024.

The applications as per Form 10A/ Form 10AB shall be filed electronically through the e-filing portal of Income Tax Department. The Circular No. 07/2024 is available on www.incometaxindia.gov.in

Sri Nrisimha Priya Charitable Trust vs. Central Board of Direct Taxes

[2024] 161 taxmann.com 209 (Madras)

Facts of the Case

The petitioner, a charitable trust, was granted provisional approval under section 80G(5) by filing Form No. 10A.

Subsequently, the petitioner applied for regular approval by filing Form No. 10AB. The application was filed beyond the due date as per the provisions of section 80G(5).

The Central Board of Direct Taxes (CBDT) issued a circular 6/2023 extending the due date for filing Form No. 10AB for re registration of existing approval under section 80G(5) only and not for regularizing provisional approval.

The petitioners filed a writ petition before the Madras High Court challenging the CBDT's circular.

High Court Held

The High Court held that when the impugned circular was issued, the CBDT stated that the reason was to mitigate genuine hardship faced by the trusts in the digital filing of the respective forms. It was essential to note that the only reason shown for exercising the powers was that these trusts faced hardship since they could not apply on time.

No discrimination or differentiation was made between the existing trusts and the new trusts at the first instance when the circular was issued. When the reason stated by the Board was to mitigate genuine hardship, no reason whatsoever is mentioned to omit “the clause (i) of the first proviso to sub-section (5) of Section 80G of the Act” in respect of the new trusts applying under Form No. 10AB alone.

There is no reason whatsoever to leave out the new trusts with respect to approval under Section 80G alone. The differential treatment is not based on any substantial distinction that is real and pertinent to the object of the circular. The discrimination is artificial.

The relevant paragraph only reiterated the eligibility of deduction and the amendments made to Section 115TD of the Finance Act, 2023. Thus, the impugned clause of the circular was declared illegitimate, arbitrary, and ultra vires the Constitution of India.

FA 2023 - Omission of certain provisions relating to dating back of exemption

Section: Regimes 1 & 2

Clause of FB: 8

Effective date: 01.04.2023

Discussion

- **Section 12A(2):** *Once registered under section 12AA or 12AB, exemption shall be available to the trust from the assessment year relevant to the financial year in which application for registration was made.*
- **Section 12A(2) 2nd proviso** – *Once registration is granted u/s 12AA or 12AB, that status quo should be applied in all pending assessments of earlier years.*
- **Section 12A(2) 3rd proviso** - *Once registration is granted u/s 12AA or 12AB, earlier year's assessments should not be reopened just because the trust was not registered in those years*
- **Section 12A(2) 4th proviso** – *Trust will not get any immunity if registration is cancelled or application for registration is rejected*

Proposal

- **Second and third provisos are taken away – i.e. henceforth there is no immunity vis-à-vis earlier years for an already existing trust that applies for registration for the first time.**
- **Fourth proviso is also omitted.**

FA 2023 - Regarding provisional / regular registration / approval

Section: Regimes 1 & 2 & 80G

Clause of FB: 5,8,9,40

Effective date: 01.10.2023

Discussion

Situation 1 :

- Trusts or institutions formed or incorporated during the previous year are not able to get exemption in the year of formation because they are required to apply for registration or approval at least one month before the previous year for which exemption is sought and registration would be granted from next AY.

Situation 2

- Trusts / Institutions, where activities have already commenced, are required to apply for two registrations / approvals (i.e. provisional and regular) simultaneously.

Proposal

In Situation 1

- Henceforth, the trusts / institutions shall be allowed to make application for provisional registration / approval before the commencement of activities and they get exemption from that AY.

In Situation 2

- The trusts / institutions that have already commenced their activities, shall make application for regular approval / registration (i.e. provisional can be skipped). IT authorities' powers are also spelt out.

Please see notification amending Rules 2C, 11AA and Forms 10A & 10AB to give effect to the above amendment. There are minute changes in Forms 10B and 10BB also vide this notification (i.e. reporting 269SS cases) – Notification GSR 457E dated 23.06.2023 - <https://incometaxindia.gov.in/communications/notification/notification-45-2023.pdf>

FA 2023 - Violations vis-à-vis the new registration / approval regime

Section: Regimes 1 & 2 & 80G

Clause of FB: 5 & 9

Effective date: 01.04.2023

Discussion

- The process of granting provisional approval / registration for new trust and the re-registration / re-approval of already registered / approved trusts / institutions are automated.
- Application is filed in the portal and provisional approval / registration or re-approval / re-registration in such cases is granted in an automated manner without verification.

Proposal

- In many cases it is found that applications are defective, not complete and contain incorrect particulars
- Therefore, proposal is made to empower CIT / PCIT to cancel the registration / approval when application referred to above is incomplete or it contains false or incorrect information.

FA 2023 - Trusts / Institutions not filing application in certain cases

Section: Regimes 1 & 2

Clause of FB: 57

Effective date: AY 2023-24

Discussion

- **Certain existing registered / approved trusts have not made application for re-registration or re approval**
- **Certain provisionally registered / approved trusts have not made application for regular registration**
- **Likely scenario in future – A trust registered / approved for 5 years may not apply for re registration or re approval**
- **Section 115TD provides for levy of exit tax on accreted income when a charitable trust gets converted to a non charitable trust in the manner laid down in the Act.**
- **By not applying for regular registration / approval or re registration or re approval the trust gets an easy route to exit without payment of exit tax.**

Proposal

- **Amendment is proposed in Section 115TD**
- **If the trust fails to make application for re registration or re approval or regular registration or regular approval within the stipulated time, it shall be deemed to have been converted into any form that is not eligible for registration or approval. It will attract exit tax.**
- **Time limits for re-registration etc. are extended upto 30.09.2023 (refer Circular 6 /2023)**
- **Procedural part and definition part are also amended.**

- **Proposal**

Correcting Anomaly in proviso – clause iv(B) to Section 80G(5)

Effective Date: 01.10.2024

Clause of FB: 26

- **Existing provision**

Vide amendment effective from 01.10.2023, a trust, which had claimed exemption u/s 10(23C) or Section 11, could not make an application for approval u/s 80G. If applied, CITs rejected the applications. This was an unintended anomaly.

- **Proposal**

Clause B referred to above is proposed to be amended so that trusts that have claimed exemption u/s 10(23C) or 11 could also apply for approval u/s 80G. ***However this should have been proposed wef 01.10.2023 instead of 01.10.2024.***
